Please see your New Home Consultant and/or home purchase agreement for actual features designated as an Everything's Included feature. Lennar's automated homes are built according to the Wi-Fi Alliance® program guidelines for Wi-Fi CERTIFIED™ Home Designs. See the Wi-Fi Alliance® website at www.wi-fi.org for additional information regarding the Wi-Fi CERTIFIED™ Home Design program. The Wi-Fi Alliance® also certifies home designs after review of a home floorplan, which may occur after your closing. Wireless performance in homes will vary due to design changes, construction changes, placement of furnishings and appliances, usage, and local conditions. Network performance will be affected by network configuration, the number of users, and the type of use. Homeowners are responsible for providing their own Internet connection and determining their own bandwidth needs, which may vary. Lennar does not guarantee that networks, equipment, or services will meet all homeowner needs. Homeowners are also responsible for configuring all security features. Lennar does not warrant or represent that any network or network device is secure or can prevent all privacy intrusions, malware, or cyber-attacks, even when correctly configured. Certain products or services are provided by third parties, and not Lennar. Lennar does not guarantee any equipment or services provided by third parties.
